Dear Parents and Carers,

As you will know the last day of half term ends on Friday 12<sup>th</sup> February and pupils will return on Wednesday 24<sup>th</sup> February 2021

Like you, we are looking forward to the holidays, but we are keen to continue to follow government advice - as we have done through every stage of the COVID-19 pandemic.

We have been asked to remind parents and carers to use our local testing facility this week for any children who are displaying symptoms and to inform school of a positive test result as soon as possible. Using the local testing facility will help speed up the results rather than opting for a home testing kit. The best way to book a test is to telephone 119 or visit <https://www.gov.uk/get-coronavirus-test>. We are not aware of any problems with capacity currently in getting a test at a test centre.

We have also been asked to ensure staff, parents and carers are aware of the following information and relevant arrangements regarding positive cases in the holidays:

- For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.
- School staff are not asked to remain on-call or conduct any contact tracing more than 6 days after the final day of teaching. As our last day in school is Thursday 18<sup>th</sup> February 2021 there should be no pupil contact tracing beyond Friday 19<sup>th</sup> February 2021.
