Dear Parents and Carers,

You will no doubt have heard about the recent announcement from the Government about the proposed re-opening of schools to some year groups from June 1st (at the earliest), as long as it is safe to do this.

At the moment I am waiting for more details about how this could be managed in school. As soon as I have any more information I will let you all know.

Until then school remains open for vulnerable children and the children of key workers.

Stay safe and healthy,

I will be in touch with you all in the near future.

Mrs Murphy
