Welcome to the final newsletter of 2018. It has been a long and busy Autumn Term with our children taking part in many wonderful activities such as Northumbria Water and their Dwayne Pipe Show, NSPCC, Anti bullying week ( following this we were presented with the FAB Award), Odd Sock Day and not to mention all the Christmas activities. We hope that you enjoyed the amazing performances put on by our very talented children. We are all very proud of all of the children, they have worked very hard this term, and I am sure you will agree the singing this year has been exceptional.

On behalf of all of the staff and all of the children I would like to wish you all a very Merry Christmas and a Happy New Year. We look forward to seeing everyone back in school on Tuesday 8th January 2019.

Mrs Murphy  
Headteacher

have a wonderful Christmas – we look forward to  
seeing pupils on Tuesday 8th January 2019.***

Children from Years 4, 5 and staff enjoyed a fun filled four days of outdoor adventurous activities at Thurston Outdoor Education Centre in the Lake District. Pupils took part in a range of outdoor activities including ghyll scrambling, canoeing and rock climbing. This trip also developed pupils' motivation skills, team work and self confidence.

**A good time was had by all the pupils and staff.**

## BE BRIGHT - BE SEEN

We have reached that time of year again when daylight hours are shortening and the clocks have gone back. This may mean that some children are travelling to and from school at twilight, or in the dark. Please remind children that wearing something reflective at night or fluorescent in daylight will help them to be seen by drivers.

Although children may be able to see vehicles in the dark, drivers may not see them and it is important that they are visible when crossing roads or walking along unlit roads. If they are riding bicycles in the dark they must, by law, have a white front light and red rear light. The rear reflector must also be kept clean. It is especially important to wear reflective clothing when cycling in the dark.

## HOLY TRINITY FUNDRAISING

*Thank you*
