

SCHOOL NEWSLETTER SUMMER TERM 2021

It is the end of yet another year! I never thought for one moment that this year would be as challenging as the last! As I write this I hope with all my heart that next year brings some long awaited normality for everyone, but especially for the children. From September we have been advised that things are going to ease a little. We know that we will have seen the end of class 'bubbles'. Hopefully we can go back to enjoying whole school singing and worship. The school will return to the original start and finish times—these are detailed below. Breakfast club will be back to normal and children can come into school from 08.15am. Thank you all for all of your support and understanding during this past academic year. The children have been absolutely amazing and we look forward to working with them all from September. Have a great summer, take care of yourselves and stay healthy!
