## Parental Comments

Holy Trinity were very helpful and supportive during lockdown. The class teacher was always available to contact if we needed help and did amazing with remote learning.

*As a parent I salute every member of staff with their efforts throughout the pandemic and school closures etc. Holy Trinity I believe as a whole went above and beyond to keep the pupils educated and up to date with their learning .*

I think all teachers have done extremely well in this pandemic and I take my hat off to them for all their hard work going into the Teams and doing it all online.

*Well done to all staff and children at Holy Trinity. You are all amazing, thank you for supporting us.*

School has been fantastic and we appreciate everything they have done.

*It was overwhelming with the online lessons as I had to struggle to get used to technology, I also had to cope with my online lessons and go to work which was too much to handle.*

It was overwhelming with the online lessons, I had to cope with my online lessons at the same time and struggled with their online lessons because I am not good with technology. At the same time go to work

*I am very happy with everything this school has done to help my child. I would like to thank all the staff. A massive thank you.*

I am very happy with the education provided for my child in the past year. All staff have been great and very supportive for both me and my child.

*My child returned to school during the lockdown, he loved every minute. I am unable to answer some of these questions as we didn't do online learning.*

Due to both parents being key workers and working full time, we often found it hard to complete school work with our child during the week. We reached out to staff and explained and were reassured that it was ok to catch up at weekends. Due to being able to work from home we didn't feel it was right to send the children to school.

Class teacher was supportive during lockdown as we often struggled to keep up due to also working full time, we were reassured it was fine to catchup at weekends.

*Thank you for all the teachers and the staff at Holy Trinity to provide my child with the knowledge and moral support he needs for his future.*

School has been fantastic

*Our child attended school during lockdown, the support has been amazing.*

*Received too much work to complete in a week. No social distancing amongst parents/carers on a morning and afternoon. Received too many phonecalls during lockdown when personal circumstances had already been explained to staff members. Some members of staff are not approachable. No option for children to have a packed lunch at dinner time whe they do not like the one option they are offered.*

Very good initial experience of school experience, teacher extremely supportive and reassuring for a family starting school during a pandemic.

*Despite receiving a letter prior to 2nd lockdown which I filled in stating we have no internet or laptops to use, there was a long wait for one for my child, then when we got one, a longer wait for a dongle. Then everyday we had issues with the screen freezing, especially during morning lessons, so whilst others were answering questions, my child was unable to even see the questions screen. The Additional Needs Manager rang several times and I was very happy with the care and concern shown, thank you all staff.*

Overall the whole staff were brilliant in adapting to the changes alongside having to deliver lessons and despite our problems with not having a laptop or any form of internet access at home we were able to collect several work packs, books even pencils were supplied. The vouchers were always correct, ready and helped too. Staff were lovely and took time to speak with my child for a chat. This helped my child to understand school changes. Thank you to all staff.
