

HOLY TRINITY
Church of England Academy
Sports Premium 2025/2026

Sports Premium

The government is providing funding to schools to improve provision of physical education (PE) and sport in primary schools.

The premium is spent on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. This means that schools should use the premium to:

- ☐ develop or add to the PE and sport activities that the school already offers
- ☐ make improvements now that will benefit pupils joining the school in future years
- ☐ give pupils the opportunity to develop a healthy, active lifestyle

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

How much is the Sports Premium Grant?

Allocations for the academic year 2025/2026 were calculated using the number of pupils in Years 1 to 6 and those age 5 in Reception, as recorded at the January census. At Holy Trinity, we have received £17810.

The table below outlines details of the planned use of the Sports Premium Grant against these key indicators. The impact of each school focus will be reviewed in July 2026.

| Target area | Cost Details | Potential Impact | Measured Impact |
|---|--------------|---|---|
| Focus on Healthy Eating and Lifestyle Little Bakers Club | £750 | Children of all ages to be introduced to different types of foods. To be encouraged to eat different types of food. Parents to be encouraged to | understanding around food groups, making healthy eating choices and simple cooking skills. They had |
