

SCHOOL NEWSLETTER SUMMER TERM 2018

It has been a fantastic summer term. Well done to all of our Year 6 children this year who achieved the highest results ever for a Year 6 class in Holy Trinity. They all worked extremely hard. Thank you to all of the parents who supported the children in coming to Booster and Homework Clubs. All of the hard work was totally worth it!

We have all enjoyed the sunshine it has enabled all of our events to be held on time this year! The children especially enjoyed our 'Rock Concert' so much so, that we intend to have our own mini 'festival' next year, watch the school website and facebook page for details! Thank you all for your continued support the attendance at our events gets better every year.

Have a lovely holiday we look forward to welcoming the children back to school on

Tuesday 4th September 2018. Here's hoping for a sunny summer break!

RECEPTION CLASS PLACES 2019

In September 2018 the Local Authority will be issuing forms to those parents of pupils transferring to Reception next September 2019. The school will distribute these and it is important that parents sign to confirm receipt of the forms. Parents must ensure they return the forms to the Local Authority before the deadline stated. In the event of there being more applications than available places, and after the admission of children with a statement of Special Educational Need/Educational Health Care Plan which names our academy, places will be allocated against the criteria set out below.

1. Looked after children (LAC), and children who were looked after but ceased to be so by reason of adoption, a resident order or special guardianship order.
2. Concurrent sibling link (an older brother or sister attending the academy at the same time and residing at the same address to include adoptive siblings, half siblings, step siblings and long term fostered children or the child of the parent/carer's partner where the child for whom the academy place is sought is living in the same family unit at the same address as the sibling).
3. Children living nearest the academy. Where there are places for some, but not all applicants meeting a particular criterion, children living nearest the academy will receive the higher priority.

If your child has ever been involved with any services and have ceased to be, school needs to be informed so that the correct criteria can be applied in the event of oversubscription. Parents can speak confidentially to the Head Teacher and as always any information will be treated in the strictest confidence.

Children's Cancer Run

Thank you to everyone who took part in this event on 20th May 2018 at Newcastle Racecourse. Our combined total amount raised came in at a huge £885.30. Thank you to everyone who took part on the day and all who sponsored someone to run.

The amount raised from the Summer Fayre was **£1041.78. An amazing total!**

Thank you to everyone who supported the school on the day and very kindly donated items for the stalls.

We were lucky with the weather for Sports Day, thank you to all the parents/carers who came along to support the children for these events, and finally a big thank you to all the staff who worked hard to ensure this was a fun event for the children to take part in.
