Children's emergency services at South Tyneside District Hospital

Overnight emergency care for children up to the age of 16 is now provided from the Children's Emergency Department at Sunderland Royal Hospital. Children's emergency care will still be available every day from 8am until 10pm at South Tyneside District Hospital and there are no changes to adult emergency care services which will continue to operate 24/7.

Food banks

Food banks provide for individuals and families in crisis for example sudden unemployment, delays in benefit payments, benefits sanctions and financial problems. They supply food parcels to people while they get help to resolve their crisis. To receive a food parcel you will need to be referred to a food bank by a professional such as a housing officer, social worker, CAB advisor, doctor or health advisor. For details about food banks contact Hospitality and Hope on 0191 420 3336, Key 2 Life Foodbank on 07833 613393 or Hebburn Helps on 0191 489 9707.
